TT230SM/TT230SMC
Thermal Transfer Printers

HellermannTyton's TT230SM and TT230SMC thermal transfer printers are the next generation of printer for small to medium volume users looking for an easy-to-use and functional thermal transfer printer. TT230SM series printers print on a wide variety of materials including all HellermannTyton labels and ShrinkTrak. TT230SM series printers are also Ethernet network ready, which gives the user options on placing the unit away from the host computer. Each printer comes with a label "caddy" that holds large label rolls behind the printer, for easier dispensing and printing. There is also an optional carrying case that can be used to safely transport the printer to remote job sites. The TT230SMC model includes an integrated cutter for use with continuous vinyl label rolls.
